RE: Daniel Joseph Warmus

Honorable U.S. District Judge Vilardo:

My name is Michael Enslow and I am the Chairman of the Board of Supervisors for Seneca County. I met Mr. Warmus on March 22, 2023, as he was performing his second First Amendment Audit of Seneca County.

Mr. Warmus toured offices in our County Office Building prior to my meeting him. Once he visited my office, we met in the Legislative Chambers and had a meaningful conversation about what he is trying to accomplish with these audits.

Mr. Warmus was professional, polite, courteous and respectful during his visit.

I believe in transparency in government and our employees are aware of their status as public servants. Our employees are encouraged to be professional, courteous and kind to our customers.

Mr. Warmus, as a first amendment auditor, allowed Seneca County to have a third party observe how we truly interact with the public. This is invaluable feedback that allows us to improve our operations as we serve the public.

Should your Honor have any questions or need any clarification with the statements in this letter, please do not hesitate to contact me.

Respectfully,

A handwritten signature in black ink, appearing to read "M. Enslow".

Michael Enslow  
Chairman  
Seneca County Board of Supervisors
